

Trust Us With Your Small Business Loan Needs

Are you looking for a small business loan that can give you greater financial stability? If so, you've come to the right place. At Church Commercial Resource Company, we specialize in providing leading SBA products that are very generous and feature some of the best terms in the industry. Due to our standing as a respected financial services company with approval from the Small Business Administration, we have the resources necessary to process your loan with ease and in minimal time.

Qualification Details

Are you wondering if you'll qualify for one of our small business loan products? If you have a decent cash flow and manage it well, your approval chances are better than you may think. But if you still have any doubts, simply take advantage of our easy, obligation-free prequalification process. It only takes about 10 minutes of your time and can help you find out if you have what it takes to qualify for one of our SBA products.

Equipment Financing Details

We offer equipment financing for all equipment types. Chances are, if you need to finance a piece of equipment, we can help you do it. Examples of covered equipment include:

- Medical and diagnostic equipment
- Machine tools

- Trucking and heavy equipment
- Printing and binding machinery
- Laundry and dry-cleaning equipment
- Manufacturing equipment

We also offer large loan amounts up to \$5,000,000. Of course, the amount you receive is based on your company's specific qualifications. But we will do everything we can to give you all the money you qualify to receive so that you can use it to improve your business. Our loans don't come with prepayment penalties or balloon payments at the end.

Learn More

There are so many details associated with our small business loans and other loan products. To learn more about each program so you can decide which is right for you, simply give us a call. Our financial experts are standing by to tell you everything you want to know about our SBA products.
